## Woof Walk

### Join a Pack and Save Animal Lives!

Our Woof Walk is a fun, team-oriented walk that kicks off our annual Woofstock event, and gives you the opportunity to form a team with your animal-loving friends, co-workers or neighbors and raise even more dollars and awareness to help save animal lives.

### What is a Pack?

A pack is a group of your friends, family, neighbors, and co-workers who walk together to help the animals. Here are five simple steps from Shanna Ireland, Community Engagement Director, to get your pack together.

1. **Decide on a pack name.**
2. **Sign your pack up at [kshumane.org/woofstock](http://kshumane.org/woofstock).**
3. **Set a team goal.** Together you can work on a strategy so each team member will achieve their individual goals.
4. **Turn in all your donations.** Then get your furry friends together for the walk on Saturday, October 7. Woof Walk starts at 9:00a.m., followed by a breakfast for you and your furry friend!
5. **Celebrate at Woofstock!** Pat yourselves on the backs for jobs well done.

### CELEBRATE...

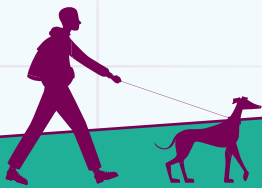

- Saving animals' lives.
- The bond we have with our pets.
- The amazing work you did to support our pets and community services.

### WE CAN DO IT TOGETHER

By working together — fundraisers, teams, sponsors, vendors, volunteers and employees — we can raise more than \$200,000 to help abandoned and homeless pets in our community. Will you help?

## SAVE LIVES BY COLLECTING DONATIONS

It's super fun and easy to be a life-saving part of Woofstock.

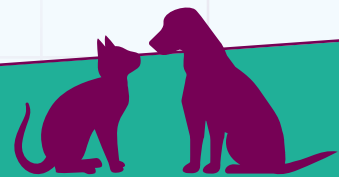

### JOIN AS AN INDIVIDUAL

Personalize your own webpage with your pet's photo and share your story. It's easy to send fundraising emails, share on your Facebook, Instagram and Twitter ... and receive great prizes!

### BE PART OF A TEAM

Grab a few friends, sign up as a team and start collecting donations. Or join an existing Woofstock team looking for additional members. You'll have even more fun working together and you can win one of the Woofstock Team Awards!

### DOG AND CAT LOVERS

Cats will be glad they're safe at home rather than attending Woofstock but you can still help raise money for abandoned and homeless animals in their honor. Or, if you and your dog would rather sleep late, you can still fundraise and get prizes!

## Woof Walk *continued* Great Ideas on Raising Money!

- Put Woofstock posters on your desk as a conversation starter.
- Post messages on your company's bulletin board/intranet asking for support.
- Take advantage of your company's matching gifts program.
- Ask your company's vendors and partners to donate to your team's overall fundraising goal.
- Ask your company to sponsor each employee's registration fee, or a portion of it. Then encourage the employee to raise donations.
- Throw a team recruitment party at your office. Our staff are happy to come help build that excitement.
- Host a "Dress Down" day. Everyone who donates to you gets to dress casual for a day.
- Host "Bring your Dog to Work" day. For a donation to your team the employee can bring their furry buddy to work that day.
- Design a commemorative company T-shirt and offer it to those individuals who register for the event and raise a certain amount of donations.
