## ADOPTIONS

Staff and volunteers help potential adopters find just the right pet for their lifestyle. KHS is dedicated to bringing pets and owners together to create a humane community.

## MEDICAL & BEHAVIOR REHAB

All animals are vaccinated, microchipped and spayed or neutered prior to adoption. Behavior support is offered through Canine Courage and enrichment activities to keep our animals playful and happy.

## RESCUE PARTNERSHIPS

We work closely with hundreds of adoption partners, breed rescues and other groups across the country to find positive outcomes for animals in need of alternative placements.

## INTAKE

We provide a safe place for animals if their owner can no longer keep them. Intake staff work with them through the first steps towards finding a new, loving home.

THE KANSAS HUMANE SOCIETY IS DEDICATED TO GIVING ANIMALS A SECOND CHANCE AT A HAPPY LIFE, AND SAVING EVERY ANIMAL POSSIBLE. WE OFFER A RANGE OF PROGRAMS AND SERVICES TO SERVE OUR COMMUNITY AND IMPROVE THE LIVES OF PETS AND THEIR PEOPLE.

## FOSTER CARE

More than 150 foster volunteers save thousands of lives each year by providing temporary care for pets who are too young for adoption, or are recovering from an illness or injury.

## YOUTH EDUCATION

We are dedicated to teaching children the importance of responsible pet ownership and compassion for other living things. Our Youth Education program provides in-school lessons as well as onsite educational activities.

## END OF LIFE SERVICES

The end of a pet's life is just as important as the beginning. We provide cremation and end of life services to honor the memory of beloved family pets.

## COMMUNITY OUTREACH

We work to educate the public on proper animal care and safety, as well as providing vaccinations and microchip clinics, and affordable spay/neuter services to reduce pet overpopulation.

# PETS & THEIR PEOPLE

It is our pleasure to present the **2026 Pets and Their People Calendar**.

Thank you to everyone who submitted photos! Throughout the calendar, you'll see many beloved pets. You'll also see animals who were at one time homeless, but got a **second chance** thanks to people like you who love animals and support our efforts to create a humane community. Our hope is that you will use these pets as inspiration to help us save even more animals through adoption, volunteering, fostering, education, services, or donations. It is our hope that all the animals find loving homes just like those featured on this calendar.

Special thanks to: Wallflower Studios for this year's cover photo. The proceeds from this calendar are used to help KHS and the thousands of animals we'll provide care and services for this year.

## ABOUT KHS

Since 1888, the Kansas Humane Society has been committed to helping lost, abandoned and homeless animals in our community. We have helped hundreds of thousands of Wichita's pets by providing care, comfort, hope and, most importantly, a second chance at a new life.

No longer just an animal shelter, the Kansas Humane Society is a community resource for pets and people. Offering an array of services to promote the human/animal bond, KHS provides pet adoption, pet supplies, spay/neuter services for pets of low-income families, youth education and community outreach, as well as pet cremation and end-of-life services for beloved pets.
